

Alliance Rifle Club
10th MidWest
BPCR Championship

April 30, May 1 and 2, 2010
Hoffland Range

The MidWest BPCR Championship was held April 30, May 1 and 2, 2010 at Hoffland Range in Alliance, Nebraska with 51 shooters from 8 states in attendance. The shooters had to deal with snow showers, rain, cold temps and constantly changing high winds. Despite these nasty conditions some very good scores were shot in all four of the matches. Many old friendships were rekindled and many more new ones were made.
