

Alliance Rifle Club

April 5, 2010

Present (8) Guy & Vickie Hielscher, Janice & Gene Rader, Bob Engelhaupt, Jim Ford, Jim Bourn, Dustin Darveau and one guest

Minutes of March 1 meeting were read and approved

Treasurers report read and approved

New Business

Fiebig

Gravel is in, started on building, but lost a couple of workers, may be done by Friday. Need some dirt. Had some skipping bullets so moved some dirt and got it taken care of. Have target frames at all ranges. Hung some bowling pins and some people were shooting at them. Need water line repaired. Jim Bourn said that Mike McGinnis could hydroseed the backstops (approx 5000 sq ft) \$100 per tank, without seeds. \$ 600 – 800 would be total cost, would need to be wet constantly. He could do it May 1st. We would need to smooth it out. That would be the 100 and 200 yd lines. The only problem is that we don't have the pressure at the 200 yd line. WE NEED DIRT !!!!!!!

Hoffland

Got the pressure valve taken care of.

Military match a couple of weeks ago. BPC this Sunday. It's going to get busy pretty fast. The weekends are pretty scheduled in.

Work day went well, had 22 people helping. Pit got emptied, target frames were fixed. Trailer was redecked.

Bathroom est from Weston . Hold off until May meeting so that we can see what else needs to be done. Since the building can not be done by the May match there is no sense in authorizing funds at this time.

Airport Range

Cemetery will have opening early Aug. The building will be gone by then. It will be bulldozed. They will give us 30 days to remove steel and stuff. We still hope to get the dirt. We would like the city to pay the trucking.

Jim Ford said that he was in the building and found some rifles, wondered why they weren't moved. Also wondered if we filled the propane tank.

Dustin Darveau has one item to verify with the state on the raffle. He will call them and if we want the drawing could be at the Sept gun show. Has talked to several companies on the 4 wheeler, has estimates. Wondered about other prizes. Said 8 – 10 prizes. Board agrees to open special checking account for raffle.

Old Business

Repair of 3 Junior Rifles Brown was not here, but Ray Weisgerber has found the screws and will order them.

New Memberships

Guy moved, Jim Ford second, passed for both members

Open Floor For Discussion

Tony Acosta has a nice front end loader and may help us reasonably.

Bob talked about taxes, Karen did a really good job.

Vickie moved Gene second, passed that we go ahead with Mike McGinnis to seed the Fiebig Range.
