Minutes of April 5th meeting were read and approved. Bob Jensen moved, Jim Ford second. passed

Treasurers report, accepted and approved

New Business

Guy read a letter that said we must vacate the Airport building by July 1, 2010. We need to set a date to get the dirt moved. Jim Ford will get together with Jim Bourn to set a date for moving dirt.

Hoffland

Lickliter – match went off, wind blew and scores showed it. Said they need more dirt too. Also need to begin mowing. Other than that they are good to go. Thoughts were that maybe they should move the shoot to July, they polled the shooters who said no leave it where it is next year. There may be some scheduling conflicts, but would have to look at it.

Fiebig

Jim Ford said the building is totally done now. Need to level inside the building. Put some pallets just inside the gate to help hold the ground.

Old Business

Raffle

Dustin said the checks have been sent for lottery and we should have in the next few days. Checking account is opened, a no charge account, but must maintain a minimal balance in the account. Three authorized persons, but Dustin will be the one to handle it.

Should have the prize list finalized shortly.

Open Floor For Discussion

Bob mentioned that there was an excellent article in tonights paper, thanks to LuAne Weisgerber. Also said that Klochs would like to be a sponsor next year. We should put match schedules in different stores and motels around town.

Guy said that he talked to several people who shoot in Scottsbluff that pay \$160.00 per year, the second year they will drop \$60.00 if they work 8 hours.

Discusson on some strobe lights that were sent to us, but did not seem to work very well for us. Bob Jensen is going to look at them and see if they could work for us.

Gene said that he has approximately 23000 lbs of steel if the club would get rid of it and sell it they would be welcome to it.

Ray said he got the screws in and gave them to Royce for the .22's.

Janice said that we have current 145 members
