New Business

Fiebig Range

- Dirt work July 8th & 9th. Need a truck or two yet. We have dirt over at Ken VanMeters
- Irrigation need to have it looked at
- Seeding can't seed until irrigation is fixed
- Building done, we need to get it insured. Bob has talked to Gregory's, they are working up a quote, as will Northland (where we have our liability Ins) Dirt is all leveled, Kenny Drake did that
- Propane Tank need to move it quickly Jim Ford and Jim Bourn will take care of getting it moved

Hoffland Range

Jim stated that some people leaving Hoffland are going too fast, something will be put on the website, also a sign will be put up

Airport Range

- Building Cleaning Jim Ford, Jim Bourn will handle through the week, one week from today, June 14th will be the day
- Salvaging - Royce has said he will take care of the rifles, Jim Ford would like to get the steel out of the south side of the wall
- Electrical Guy will call the city to shut off the electricity

Table Policy

Discussion regarding club's tables followed, nothing decided firmly.

NFOA

Leadership Conference
