Minutes of June 7th meeting were read and approved
Treasurers report, Electricity is shut off at Airport Range.

New Business

Appleseed

Lindsey Bixby gave a presentation on the Appleseed Project. He attended one in Wyoming and thought perhaps the club would be interested in holding one. Explained course of fire. Said the state coordinator would like to do two shoots per year here. This is also a history lesson, going over the history of firearms.

Fiebig Range

- Dirt work Airport range is cleaned out. Got 90% of where we need to be with dirt work. 25 yard range needs berm work. Will set targets on 50 on Tuesday. Need help moving dirt around. The dirt moving from Airport to Fiebig went well.
- Irrigation – set hoses today, should get seeding done soon.
- Target holder 25 yard – shooting at a metal frame at that distance is not a good idea. Guy will build a plywood frame and put it up for close shooting
- Sign – NE Game & Parks – need to put on the sign also
- Sign – Other major contributors:
Need to be put on sign also

Hoffland Range

Cancelled last weekends matches because everyone was moving dirt. Have quite a few matches coming up. Have parts for tractor now.

Old Business

Dustin

Has the tickets out, already sold over 20 tickets. If still have tickets at the gun show will have a table with all of the prizes. Drawing at the Gun Show Sunday 2:00pm.

Insurance quote does not include the contents. It is 90% replacement value. The second one will include the tractors. Annette moved that we should insure if Cleary does not cover against hail, wind etc. Royce second. Passed. One opposed (Steve Henkel)

New Memberships

One new membership

Open Floor For Discussion

Steve Henkel wondered about IDPA set up. (International Defensive Pistol Association) Finding a director is the problem.

Steve Henkel asked about fast draw at Dobby's – would like to get a fast draw association stated in Alliance. Needs 2 timers and targets. Steve would be director. South Dakota would bring their equipment for us to try it once. He will talk to the guys from Deadwood and see if they want to help us.

Dustin asked if people could bring their money and tickets to the August meeting.

Adjourned 8:50pm
