Treasurers report

New Business

Fiebig Range

Moved the propane tank, needed new regulator.

- Dirt Work
 - Planting
Bag of seed has been donated, will disk it in, but not grass seed this year
- Open Range Days
Sept 25 and Oct 16

Hoffland Range

REA run lines underground

We will have to lay in the line, they will trench for us, but they will be there to help us. A lot of gopher problems. New neighbor, Mann would like a key to Hoffland. Unanimous decision to give him a key.

Gun Show

Still have tables, Grizzly Mike and Glenrock, R Garner will not be here. Several tables cancelled recently.

FNRA check

We received our check for the storage building

Tables

We loaned the tables and they were not returned to us for two months. Henkel moved to number 10 tables, they must be back within one week of loan, cleaned and signed in and out. Limited people will be able to loan the tables out. Stored at Fiebig, seconded by Bob Jensen. A board member will need to contact several other board members to approve use. Approved.

Old Business

Raffle

Appleseed

Was very well attended. The most attended Appleseed in the state. Would like to schedule another one next year. Report attached. Bob stated that the two instructors and he went to Hoffland and they wondered if we would be interested in renting it out for a one week to them. Bob told them to check our schedule online and let us know. He stated that the whole Appleseed was very interesting and educational.
