**New Business**

• **Fiebig Range**

We approved money for the finish dirt work. Jim, Bob and Bob and Don Henderson were out there. Got all of the seeding done with a little seed left over. Jim got 14 sheets of  $\frac{3}{4}$  tongue & groove plywood donated and he has stored it in the storage building. Henderson should be paid in full and be done with it They are the most reasonable and have been very good with us. Bob Jensen moved to pay the full amount, second by Jack. Approved.

Jim would like gravel around the new storage building, he and Bixby will shovel it. We could do a pickup load at a time, and run an account with Henderson. Guy wondered about getting more rock on the road. Jim stated that would be another couple of thousand dollars. Bob stated that we should probably get the gravel as soon as we can. He moved we continue graveling Fiebig up to the storage building authorizing funds for gravel whenever Henderson can move it in. Jim second. Approved.

Jim mentioned that there has been a lot of clay shooting on the 50 yd he wondered about moving them to the east.

• **Hoffland Range**

Grant/concrete for restroom. Would like to get the restroom going, we got the grant from Tourism, use it for concrete on the restroom. Jim will get that taken care of with Weston. Will not build a shower in the restroom at this time. Bob stated that the concrete may go above the grant. Approved.
