

Alliance Rifle Club
Nov 1, 2010

Present (10) Guy & Vickie Hielscher, Gene & Janice Rader, Bob Jensen, Jack Mattox, Bob Engelhaupt, Steve & Annette Henkel, Steve Lickliter

Minutes of Oct 4th meeting were read and approved.

Treasurers report, funds are in an investment account for the new building Account left open for Raffle with \$25.00. We will owe money for taxes. Minutes approved. Moved by Vickie second by Bob to approve investment account. Passed

New Business

• **Fiebig Range**

- Put 5 target stands on 50 and 5 on 25. The wheat is growing and looks good. Road is all done with gravel, around the restroom is done. Put fence and posts by where people were driving up on berms. There is a little road on the east side if need to drive up.

• **Hoffland Range**

They would like power at the new restroom at Hoffland (evening use there with campers) Lickliter is checking on wiring costs. The main breaker is bad and needs replaced, good time to do it when working on wiring. Everything is winterized. Will not put a shower in the new restroom, consensus is that it is not needed.

Old Business

None

Moved by Annette, second by Jack to accept. Approved

Open Floor For Discussion

Lickliter said that request for power in the new bathroom at Hoffland, mostly for night time use. He is checking on a price for wiring for us. PREMA will ditch for us, we will lay the wire. They will have someone standing there to tell us what needs to be done, they cannot do it. The main breaker is bad and it will need to be replaced. Mike Friesz will help with the wiring. This winter we will draw up prints for the restroom and go from there.

Jan 22, 2011 is the date for the annual meeting, 6:00 pm.

Adjourned 8:20pm
