

Alliance Rifle Club

Dec. 7, 2009

Present (10) Guy & Vickie Hielscher, Janice & Gene Rader, Jack Mattox, Bob Engelhaupt, Jim Ford, John Herian Steve & Annette Henkel

Called to order 7:30 pm by Guy Hielscher

Minutes Nov 2 meeting read and approved Bob Engelhaupt, second Jim Ford, passed Treasurer's report read and approved

New Business

Bob reported for Miles that he feels it is very necessary to finish the bathroom at Hoffland. Hopefully by Jim's Midwest match in May, also help the Sage match in August. Jim Ford volunteered to head up the project. He will get estimates and report back to us. Agreement is to build to add on a shower at a later time. Moved by Bob, second by Annette, passed that Jim be in charge.

Jim stated that we need to get the ground graded before the Cleary building can go in. Will get an estimate to us on that.

Old Business

- a. Storage building at Fiebig
- b. 3 junior Rifles repaired

The gent that was going to repair the rifles has had his phone disconnected and he will contact Kimber and see what can be done

The ammo for the Juniors was almost more than we anticipated, maybe they could sell raffle tickets on a gun, or help tear down or set up for the gun show. Maybe they could take their own money for the pizza party.

New Memberships

One new membership

Open Floor For Discussion

Sight in date was very good, Glen had the one day, also the next day he and several members were there with a lot of shooters. Thoughts were that maybe we should also do a sight in day at Hoffland

Annual Meeting

Nominate someone to head up the indoor range at Fiebig

Raising dues

Jim Ford will work on an estimate for indoor range

Clean up day

Adjourned 8:30 pm
