Great day for shooting with everyone having lots of fun.  
 Shooters are really learning how to read wind and mirage.  
 We will shoot PRS targets all the way to 1000 yards for those interested  
 in trying them. Thanks to everyone for joining us.

Thanks again

Jim

We had lots of changing conditions but we managed to have lots of fun.  
 Hope to see everyone at the Dean Scoggin 1000 yard BPCR and military match.

Thanks  
 Jim
