

## **BP2017 MIDWEST BPCR CHAMPIONSHIP**

The 17<sup>th</sup> annual MidWest BPCR Championship was a great match with lots of friendships renewed and many new one were made. I hope the shooters had as much fun as I did! We tried using flashers instead of radios and they proved to be a huge success.

The 22lr and lever gun match on Friday was lots of fun with many shooters enjoying the competition.

The long range match on Saturday was one of the toughest o shoot in thanks to terrible wind and mirage that was constantly changing. The scores this this year were some of lowest we have had in years.

The Buffalo match on Sunday was a great day for shooting with a 34 out of 36 hits as proof of good weather and good shooting. We had shooters from 11 states.

**THANK YOU** to all shooters and their families for joining us and I hope to see you again.

**Jim & Beth**
